

Finland is the land of the sauna. Finland has a population of 5.1 million and over 2 million saunas - one for every three inhabitants.

Knife Making Supplies

Blades and Parts Enjoy making your own knife with our finished blades and bolsters from Finland. Ask about our knife making books and videos.

▼ **Arctic Curly Birch Wood - T50VK** from the northern forests of Finland. Contains beautiful figure and iridescence.

T50VK

"Then the smith Ilmarinen, eternal hammerer, snatched iron out of the fire, set it upon the anvil, worked it soft and malleable, makes it into things with blades, into spears and axes, into every kind of tool"

From the Finnish Epic Poem "The Kalevala"
